

HArDCore2D::HybridCore

```
graph BT; A[HArDCore2D::LEPNCCore] --> B[HArDCore2D::HybridCore]
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'HArDCore2D::LEPNCCore'. A blue arrow points vertically upwards from this box to a gray box at the top labeled 'HArDCore2D::HybridCore', indicating that 'HArDCore2D::LEPNCCore' inherits from 'HArDCore2D::HybridCore'.
